| John Deere 2700  | 1 ¼ " | 480211, 480101 | N261331, N262243, N263138, N261341, N260924 |
| John Deere 2720  | 1 ¼ " | 480211, 480101 | N261321, N262241                            |
| John Deere 2730  | 1 ¼ " | 480211, 480101 | N261321, N262241                            |
| Case IH/DMI 530  | 1 ½ " | 480160         | 09983476                                    |
| Case IH/DMI 730  | 1 ½ " | 480160         | 09983476                                    |
| Case IH/DMI 9300 | 1 ½ " | 480160         | 09983476                                    |
| Landoll 2410     | 1 ¼ " | 480170         | 169493                                      |
| Landoll 2430     | 1 ¼ " | 480170         | 169493                                      |

The chart below compares 1-1/4" shank model options (for OEM shanks other than Landoll):

| Part # | Name | Price  | Wear | Impact Durability |
|--------|------|--------|------|-------------------|
| 480101 | HW   | \$ 140 | Best | Low               |
| 480211 | HD+  | \$ 180 | Best | High              |

**Note:** Product warranty on all Bullet Ripper Points covers manufacturing defects only. Wear, in field breakage, rock impacts, concrete and foundation impacts, frozen ground damage, and lost points are not warrantied.
