

## 360 GUIDE™

### Base Kit

Determine the Base System Part number needed for your Sprayer. Review the following requirements to determine which Part number to select:

- 1) Make and Model of Sprayer
- 2) Existing Steering System
- 3) Globe Model
- 4) Monitor Model

Make	Model	Steering System	Globe	Monitor	Part Number
John Deere	R4030	JD Autotrac	StarFire 3000 or StarFire 6000	2630 or 4600 series	490258
	R4038/R4045	JD Autotrac	StarFire 3000 or StarFire 6000	2630 or 4600 series	490328
	4720/4730/4830	JD Autotrac	StarFire 3000 or StarFire 6000	2630 or 4600 series	490295
	4940	JD Autotrac	StarFire 3000 or StarFire 6000	2630 or 4600 series	490304
	4930	JD Autotrac	StarFire 3000 or StarFire 6000	2630 or 4600 series	490411
Hagie	STS 10/12/14/16	Raven Smarttrax	n/a	Viper Pro or Viper 4	490280

**Notes:** Ipad not included with 360 Guide.

Ipad4 or higher (provided by grower) is needed for system operation. A cellular connection is recommended for remote updates.

Base Kit		Retail Price	Qty	Ext
490258	360 Guide - John Deere R4030 Autotrac System	5,500.00		
490328	360 Guide - John Deere R4038/R4045 Autotrac System	5,500.00		
490295	360 Guide - John Deere 4720/4730/4830 Autotrac System	5,500.00		
490304	360 Guide - John Deere 4940 Autotrac System	5,500.00		
490411	360 Guide - John Deere 4930 Autotrac System	5,500.00		
* 490280	360 Guide - Hagie STS Raven Smarttrax	5,500.00		

\* For Hagie Sprayers equipped with tall crop packages, a cut will be required in the front pan under the cab for mounting the sensor assembly. A patch plate comes standard in the Hagie 490280 kit. If an entire replacement pan is desired as an alternative to the patch plate, part number 490319 is available as an optional item.

Options and Additional Items		Retail Price	Qty	Ext
490319	Pan - Hagie High Crop Cut	850.00
